CURRENT AFFAIRS – 09/04/2026

1.LPG Supply Management amid West Asia Crisis

Govt issued new guidelines on LPG allocation.

70% supply restored for industries (pharma, agriculture, steel, etc.).

Special focus on migrant labour (5 kg cylinders doubled).

Shift encouraged from LPG → PNG.

2.PM chairs CCS Meeting on West Asia Conflict

Cabinet Committee on Security reviewed national preparedness.

Focus on energy supply, evacuation & security strategy.

Shows India' s strategic response to global conflict.

3.RBI Monetary Policy (Repo Rate Unchanged)

Repo rate kept at 5.25%.

Due to inflation + global oil shocks.

GDP forecast lowered to ~6.9%.

UPSC angle: Economy, monetary policy.

4. India Withdraws Bid for COP33 (2028)

PRABHA IAS IPS COACHING ACADEMY

India pulled out from hosting UN climate summit.

Reason: internal review of commitments.

Important for climate diplomacy.

5. Global Steel Conference Postponed

India postponed event due to Middle East crisis impact.

Issues: logistics, energy concerns.

Reflects global economic disruption.
