Ganga Expressway:

Recent - PM Modi inaugurated the greenfield Ganga Expressway in Hardoi, Uttar Pradesh.

It is Uttar Pradesh's longest expressway, at 594 km, with 6 lanes (expandable to 8).

It passes through 12 districts, connecting Meerut in western UP with Prayagraj in eastern UP.

The expressway reduces travel time between the two cities by around 6 hours.

It includes a 3.5-km emergency landing airstrip at Shahjahanpur for Indian Air Force operations.

Economic Push: UP has planned 12 industrial clusters and logistics parks along the route to support manufacturing and e-commerce.
