29th National Conference on e-Governance (NCeG)

29th NCeG in Jaipur concluded with adoption of Jaipur Declaration on e-Governance 2026.

Organised jointly by Department of Administrative Reforms and Public Grievances (DARPG), Ministry of Electronics and Information Technology (MeitY) and the Government of Rajasthan.

Theme: "Viksit Bharat 2047: AI-enabled, Data-driven and Secure Digital Governance."

Jaipur Declaration

Outlines a shared roadmap for strengthening digital public infrastructure, promoting AI-enabled governance, enhancing cybersecurity and data governance.

Deals with fostering innovation, and leveraging emerging technologies to deliver seamless, transparent and accessible public services for all.

Reflects collective resolve of Centre and States to accelerate digital transformation and build an efficient, secure and future-ready governance ecosystem in line with vision of Viksit Bharat @ 2047.
